THE MARTDOOR COLLECTION

Martindales
TRADE FRAMES

WELCOME

Martindales has been manufacturing since 1986, in this time we have built up a reputation for quality service and reliability.

We are happy to introduce to the market THE MART DOOR, a door that has been designed without compromise, with all components hand picked with quality, durability and security in mind.

All doors come as standard with stainless steel hardware and a 3 star high security barrel, all encased in the Rustique 5 chamber Halo by Veka outer frame.

DECORATIVE GLAZING

All our decorative glass panels are either double or triple glazed.

Double Glazed Glass Designs: Sphere, Deco, Abstract, Orchis, Vario, Satin, Rizzar, Azusa, Canella and Wismar.

Triple Glazed Glass Designs: Zinc Helia, Zinc Trista, Zinc Quatum, Charm, Duello, Vogue, Valera, Zinc Arleyne.

*all decorative glass designs are only available with the backing glass shown

*Contemporary
Modern Trio Red with
Black Frame shown with
Stainless Steel Handle and
Satin Glass

*Contemporary doors are available with glazing to centre, left or right.

SYDNEY

All glass units are triple glazed with the decorative glass securely protected between 2 panes of toughened safety glass.

This ensures good looks that will stand the test of time and also makes the panels very easy to wipe clean.

Standard Finish

Hardware is available in a number of finishes to suit both your home and personal tastes. These include Chrome, Gold, Black, Satin and White. All hardware and letter plates are finished in high quality stainless steel.

Knockers available with or without spyholes

High Security Cylinder

These special cylinders are designed to counter the threat of a burglar breaking the key cylinder to gain access to a property. They are anti-pick, anti-bump and sacrificial snap. This upgrade offers far greater levels of security and great peace of mind.

Finishing Touches

When selecting the Long Bar, modern or door knob option as a handle for your door we use a key operated door lock which can only be operated with the key.

Numeral - Supply only not fitted.

Security Chain

Spyhole

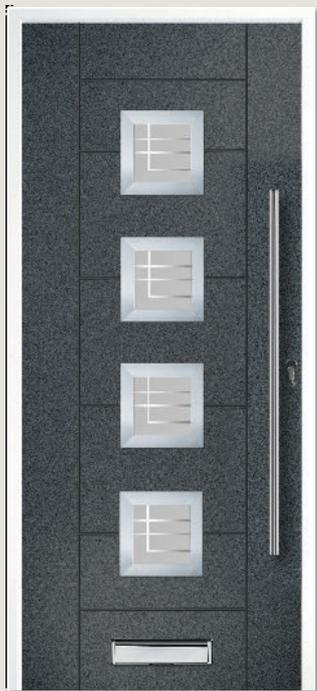

All the bevels in this brochure are glass cut bevels and small inclusions may be found in some bevels and these should not be regarded as a fault. All bevels are cut and bonded to glass by hand meaning some variation in shape may occur. Due to limitations in the print process, door and glass colour shade may vary from those shown and are guidance purposes only.

Martindales' policy is one of continuous improvement and the right is reserved to change design and specification without notice. The unauthorised copying or reproduction of any designs in this brochure will result in legal action being taken under the designs and patents act 1988.

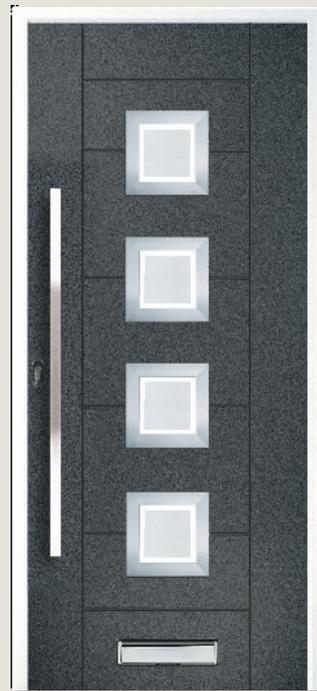

NEW MODERN COLLECTION

Our new modern collection of doors are glazed with an aluminium finish glazing cassette on a grained finish door slab. Some of the designs within the range feature a decorative groove machined into the external surface of the door offering a very sophisticated look. The inner of each door slab will be white..
